

Candidate for the Treasure Lake Board of Directors

My name is Avery Auten. I am originally from South Carolina and have lived in Arkansas for the past 54 years. I was raised on a cattle farm and after graduating from Rock Hill High attended The Citadel for the past 2 years majoring in civil engineering. I then served in the U.S. Army for 3 years as an aircraft mechanic during the Viet-Nam war. I am retired from AT&T after 35 years, starting as a lineman, then spending my last 25 years as an engineering manager. I married my wife Lynda in 1965 and have 3 children and 5 grandchildren. I graduated from University of Arkansas at Little Rock with BS degree in Business Administration. I have a relationship with God and am a Deacon at First Baptist Rogers of which I am an active member. I enjoy fishing, hunting, golf, granddaughter's softball games and spending time at Treasure Lake with friends.

I have been an owner in Treasure Lake since 1995 and have learned a lot about the park and its operation and have seen a lot of changes. We have a great park with a great staff to see that our park is safe and a great place to spend vacations and bring our children and grandchildren. It has been a pleasure to serve on your Board of Directors for the past 3 years and as your president for the past 2 years. I believe the Board of Directors should manage the business and affairs of the park, monitoring all reports to ensure all funds are spent to the advantage of all owners. I believe all Board Members can express their opinion and a decision made in a businesslike manner using professional knowledge and common sense. I also believe Park Manager is responsible for the day to day operation of the park, feeling free to come to the Board with any questions or problems that may come up.

I would be proud to serve on your Board of Directors for another 3 years.

Thanks for your vote in advance and please vote.

Moving Treasure Lake Forward,

Auten 479-631-2520
