

NINE-DAY-BUY-BACK

Uses: Fifty-four (54) days per calendar year. The program can be used any number of time as long as the total days used does not exceed fifty-four (54), regardless of how many ownerships a person may own.

Cost: \$15.00 per day.

Change Sites/Phases: Phase must be changed at the beginning of the nine days, but only the site needs to be changed at the end of the nine-day period. If you buy four (4) days or less, you do not have to move. You must leave the park after that.

Park Occupancy: Seventy-five percent (75%). As long as the park is not over 75% full, the program can be used. The office will post the previous day's occupancy.

Black-Outs: Ten (10) day prior to Memorial Day, July 4th, Labor Day and the Annual Meeting, the program may not be used.

If you are using the Nine-Day Buy – Back program and either the park usage exceeds 75% or a black-out period is encountered, you will have to leave the park.
