

TREASURE LAKE RV RESORT CAMPING CLUB, INC.
 Work Camper Program – HR73 (07/10)

The objective for using Work Campers is to reduce the overall cost of operations by allowing Owners and non-Owners to perform specific tasks or jobs that would otherwise be performed by paid employees.

- The prospective Work Camper will conduct a phone interview with a department supervisor, prior to a required in-person interview. The Administrative Director will meet with the prospective Work Camper and have him/her complete and sign a regular employee application, submit to a drug test, and agree to a background search, prior to beginning the assigned duties. (Note: The Work Camper will be asked to submit a resume, which can be placed in the employee's permanent file.)
- A minimum of seventeen (17) weeks of work is required for both Owners and non-Owners.
