## Treasure Lake's 35th Anniversary Memory and Cookbook

*And speaking of the 35th Anniversary . . . There will be all sorts of special events marking this highlight, but here is one that each of you needs to support: Our own Treasure Lake 35th Anniversary Cookbook!* Each of you (this includes all the guys!) needs to submit a favorite—recipes, as well as, photos and older memorabilia, please forward it, too. Already, several members of the Pioneer Club have gotten interesting items to us for inclusion. **Let's make our 35th a truly outstanding celebration!**

## Veteran's Wall

**Time is running out!** We now have sixty-four (64) names for our sixth and final memorial wall. Each wall has room for ninety-three (93) names to be listed. Obviously, that leaves room for only twenty-nine (29) additional names. We would love to have all ninety-three spots filled by Veteran's Day in November. Don't miss this last opportunity to honor a veteran for his/her service to our country!

The cost for engraving is \$50.00/name. Call Earlene at 1-800-455-2961 x 254. She will need the name of the person being honored, the branch of service, years served, and rank.

**Security** (continued): Please use caution and watch for our children.

I have instructed my guards to have everyone swipe their card or show an Owner's card to enter. The reason for this is other resorts use the same cards and also to find out if the card is active. If it is not active, you could not get in or out of the back gate. The guard is just doing his/her job, only allowing authorized persons on the Park.

## Housekeeping

### Update

*"Those who cannot remember the past are condemned to repeat it."  
George Santayana*

## Wilma Fuller and her band of Merry Experts!

Just some reminders about our department. We only clean units when the guests have checked out. We do not go into your unit to clean, while you are here, unless you request it.

We have an array of items for you to borrow, if needed. We also have new chairs and good quality futons in various units to replace some of the older hide-a-bed sofas. When we replace the new chairs, we take the used chairs and put them in Phase Three units for use. They are still in great shape and very comfortable. We hope you

enjoy this upgrade.

After making a unit ready for our guests, we leave an envelope requesting that you return it to the general manager. We value your comments.

Working at Treasure Lake is awesome! We are always looking for work campers. If you try us out, you won't be sorry. We work as a great team and we would love to have you come join us!

## Security Update—Tommy Smith

Our Guard Shack is up and running well. Early check-outs are being used more every week, as you can get your refunds on gate cards and rental keys there, and not have to stop at the Welcome Center. Also, 7:00 AM works well for the people, who want to hit the road before it gets too hot or too cold. Remember, it has to be your day to depart for us to be able to give a refund. If you are leaving a day or so early, you will have to stop at the Welcome Center, which opens at 8:00 AM. If you want to leave before 7:00 AM, you will have to go to the Welcome Center the day before and check out of your site and move to overflow by the pool. You will then be able to leave as early as you wish and not disturb anyone's sleep.

We are having a large increase in the number of dogs on the Park. I am getting complaints of Owners not cleaning up after their dogs. Remember, "if your dog poops, you scoop."

Your Park looks great and for the most part, people are observing our speed limits. Remember 5mph, when approaching the gate, 10mph in the phases, and 15mph on the main roads.

(continued from Page 2) **Saturday, July 1, 10:00 –5:00 PM** – Famous Snow Cones and their 72 flavors will set up outside by the pool. Come cool off and get a snow cone. Also at **10:00 AM** – The Magic of Richard Knoll and four additional magicians will perform a spectacular magic and illusion show. This is a very large, high-scale magic show. We are very lucky to have a show of this caliber here in our Clubhouse. Bring the whole family as you will not want to miss this! From **12:30 –2:30 PM** - we will have a special Water Slide outside by the pool. This is a great way for the little ones to cool off. At **2:00 PM** - We will be hosting a Prince-Princess Party downstairs in the theater. This is for all boys and girls. Come dressed in your favorite Prince/Princess costume/attire. There will be a special guest at this party. We will be taking pictures, playing games, eating, just having fun; and there will be something for every child that attends along with prizes. Come dressed to impress! At **3:00 PM** - The Finley River Boys will be taking the stage in the Clubhouse, playing your favorite bluegrass and classic country. At the outdoor pool, at **3:15 PM** - DJ Brian Pendergrass will be spinning your favorite music, as well as, playing some games. This will be a fun time for everyone with lots of prizes! Between **5:00-6:30 PM** - There will be a Cookout at the Pavilion serving brats, hot dogs, corn-on-the-cob, chips, dessert and drink for only \$5.50 each. At **6:00 PM** - Brian Pendergrass will entertain at the Pavilion for your dining pleasure. **8:00-9:00 PM** - Brian Pendergrass will be honoring America with his Patriotic Tribute. He will perform on the outside stage. At **9:00 PM** - Brian will perform our National Anthem, immediately followed by our Fireworks on the Park!

**Sunday, July 2, 6:00 PM** - The Missourians Gospel Quartet will perform in the Clubhouse. This group will leave you wanting more.

**Monday, July 3, 2:00 PM** - Debbie and Gordy in the Clubhouse. This dynamic duo will take you on a musical journey from the 50's to the present. At the Pavilion at **4:30 PM** - Miss Barb's Summer BBQ Dinner. This delicious meal will include grilled steak sandwich, baked potatoes, corn-on-the-cob, rolls, dessert, and drink. **Reservations must be made two (2) days prior to the event at the Rock 'n Roll Café or at the Front Desk.**

## Rock Roll Café—Barb McConnell

### Hello from the Rock 'n Roll!

We had a very successful Memorial Day weekend on the Park this season. Thanks to all our employees, work campers and volunteers. I have a lot of new workers in the Café this year and they are really 'stepping up to the plate' to try to keep up with the volume. As always, I am very proud of my staff and their continued efforts to keep the members happy with food and ice cream. **And...** speaking of ice cream, *we are getting a new ice cream machine, hopefully, before the 4th of July.* This will make a great difference on long lines and good quality ice cream. Thanks to Gary Jones and Rich McConnell for getting up early twice -a-week to clean our ice cream machine for us and keeping it going. We will have a dedicated line, just for ice cream, to help speed up the service. However, this means, **I need more help!**

If anyone is interested in work camping in the Rock 'n Roll,

please go to the office and get an application, and then come and talk to me. We need to get some more help trained before the 4th of July holiday.

Special thanks to the volunteers, who helped with the chicken dinner and the breakfasts at the Lodge. You all are awesome and greatly appreciated. Thank you, also, to all our members and guests for the continued support at our breakfasts and Rock 'n Roll Café. We are doing our best to give you good service and good food. If you have any complaints or suggestions, please come and see me at the Café and I will try to address any issues. If you have any special requests, please let me know and we will see if we can do them. We are here to make your Treasure Lake experience a good one with lots of good memories.

## **SUMMER'S HERE . . . SO ARE THE TICKS AND FLEAS!**

It's time to enjoy yourself on your beautiful Resort, but make it more fun with a little caution beforehand. As you know, Treasure Lake is surrounded on three sides by wildlife preserves. We have acres of untouched land, which invites ticks, chiggers, fleas, and other insects. Make a point of bringing the supplies you need to protect you and your family when camping. Make your vacation that much more enjoyable.

Owners' Mail –We are being swamped with mail and packages for Owners, who are spending time on the Park. Our Rules & Regulations state that we are only supposed to accept packages containing medicine (make certain that your phone number is included on the box, so we can call you to pick up the box) RV parts, and bundled mail, forwarded from another post office. We are not a branch of the U.S.P.S. and we cannot accept the liability. Please look into General Delivery at either the Branson or Hollister Post Office; or renting a post box at either location.

**He caught a whopper!** Carsen Gillam, age 9, fishing at our pond in Phase II in early June, landed a keeper!

*The Carl and Dott Cotrill Memorial Building*

*A night shot of the beautiful, newly-completed building. Next time you're on the Park, come and check-out this great addition to Treasure Lake .*
