Update

*"Those who cannot remember the past are condemned to repeat it."
George Santayana*

Wilma Fuller and her band of Merry Experts!

We had a busy summer this year. Treasure Lake has purchased two yurts. One of these has been completed and is online for rental. Just call 1-800-455-2961, option 3 for reservations for these new rentals.

Also, we now have a third trailer that is ready for rent. This is a very nice, good-sized rig with slides.

After making a unit ready for our guests, we leave an envelope requesting that you return it to the general manager. We value your

comments, all of which are turned in to the General Manager. In turn, these comments go to the particular supervisor to handle any issues or pass along compliments to a particular employee.

Working at Treasure Lake is awesome! We are always looking for work campers. If you try us out, you won't be sorry. We work as a great team and we would love to have you come join us!

Veteran's Wall

Thanks for your help! We have recently completed the sixth Veterans Wall and it is ready to be delivered to the Park within weeks. Our plans are to have this wall in place by November 11th for Veteran's Day.

Due to huge demand, we have begun taking names for a seventh wall. Each wall holds ninety-three names and at present we have twenty-five names for this wall.

The cost for engraving is \$50.00/name. Call Earlene at 1-800-455-2961 x 254. She will need the name of the person being honored, the branch of service, years served, and rank.

Indoor Pool

As usual, the outdoor pool closed right after Labor Day. However, the indoor pool will be open into December (weather permitting). The new heater, at a cost of \$5,000, has been installed and the temperature is a constant, balmy 84-86 degrees.

High Speed Fiber Optics

Our long-awaited high speed Wi-Fi is almost a reality. On the 4th of July, the company installing this huge upgrade began plotting the Park, and then White River Electric Co-op came and put up poles; the trenches for the underground portion were dug. We have been informed that the final equipment is ready for installation and it will be ready for use in October.

As an introductory special for everyone, the following are the prices for this service:

\$59.99 - yearly

\$ 9.99 - weekly

\$24.99 - monthly

\$ 1.99 - daily

Please note: These prices will change after the introductory period.

This is a ‘**spooktacular**’ event with lots of ghosts, frights, and special effects for the whole family. Don’t miss this fun time. Just hop on the wagon at the back of the Clubhouse. No self-guided tours: you might get eaten!!
