

Vote For Greg Sampson

About Greg Sampson

Greg is a proud Air force Veteran that served during 1966-1970. His a devoted husband of 50 years to Colleen Sampson. Together they have two sons and 5 grandchildren. Greg was an owner in the family flooring company in Kansas City, Mo. In 2003, Greg retired from flooring and Colleen retired in 2016 as an emergency trauma nurse. Greg and Colleen love spending time with their family and Audrey, their pekingese. Together they enjoy spending time at Treasure Lake and participating in many activities. Greg has participated in serving breakfast to members as well as the Veterans Parade. They have been proud owners since April 2011.

A Leader That Cares About Treasure Lake

As a proud owner of Treasure Lake, I would like to see Treasure Lake continue to flourish and be a vacation destination for families to build memories for years to come. As a Board of Director, I will be committed to listen to all owners concerns and will take all recommendations to the board for review. I will work diligently to make owners concerns heard and get back to them with feedback from director meetings. It is paramount to keep Treasure Lake moving forward in the ever changing world and make this our beautiful oasis in Branson. I would like to see Treasure Lake continue to move forward on getting more pull thru sites and pull thru handicap sites. As units become longer and our population starts aging it becomes very difficult for many of our owners to back into sites. I feel after being a camper for last 7 years I have a good working knowledge of the park. Typically, Colleen and I camp at Treasure Lake 3 weeks out of every month until snow flies. During the winter months, I am only 3 hours away from Treasure Lake. I am very excited to be able apply for this position which is very dear to his heart.
