### **Membership:**

I have been a member of Treasure Lake since 2004. I am currently on the Treasure Lake Board. I am presently serving as the Treasure Lake Treasurer.

### **Family and Hobbies:**

Married to my high school sweetheart, Tammy. We have lived in Seymour, Missouri for 38 years. We have two boys and 5 grandchildren.

I love to spend time with my grandchildren who I am blessed to say live next door. I also love traveling the country in my RV. My favorite trips have been Alaska and going to Colorado in the fall.

### **Career Background:**

Graduated from Missouri State University in 1977 with a B.S. in business management. Built one insurance agency into a multi-state company of 10 offices. Sold the business in 2012.

I have owned a tax and accounting firm since 1989. I am still active in this business located on the square in Seymour but consider myself semi-retired. I have extensive knowledge of reading and interpreting budgets and financial reports which has been invaluable in working with the park's CPA firm as well as helping prepare the park's budgets.

### **Community Service:**

Previously served on Seymour School Board, Southern Webster County Food Pantry Board, Webster County Health Board, and the Seymour Senior Housing Corp. Board.

### **Church Service:**

Currently a member of Ridgecrest Baptist Church in Springfield, MO. Served over the years as Sunday School teacher, treasurer, song leader, missions director, and youth leader. My wife and I currently are Area Coordinators for Operation Christmas Child.

### **Treasure Lake:**

I feel that we need to continue spending money to upgrade the park. The value of a Treasure Lake membership has risen while I have been on the board and I would like to seek ways to continue that trend. I have never taken any money from the park for board expenses and if elected will continue to serve at my own expense. I have enjoyed working with some great board members and would love to continue to do so to keep Treasure Lake as the #1 Mega RV Park in Missouri.
