Activities

The Activities Department has been very busy. We had our huge 4th of July celebration on Saturday, July 6th with our 2nd Annual Kid's Carnival. This event was a big success. Our midway was set up with canopy tents that had PTO/Carnival style games for the kids to play. Some of the games included the duck pond, ring toss, Ozark Mountain toilet toss, disc drop, bean bag toss, bubble station, balloon

pop, knock down, ball toss, life-size Connect Four, life-size Jenga, and low striker. We also had an inflatable skee ball and zero gravity game. We had popcorn, cotton candy and snow cone stations setup in the Outdoor Pavilion. We also had a face painter and balloon artist set up for the kids. There were pony and camel rides along with our new TL Express Barrel Train. The kiddos had a ball. Of course, we had the dunk tank which stayed very busy. You had the choice of dunking Bob Voigt from the TL Board, Resident Life Guard Hunter Hull and our General Manager Lenny Ammerman. I hate to say it, but Hunter Hull raised the most money and received the pie in the face from the Activities Department. It was great fun for all. This year we stepped up our game. We added several new items to the carnival. This included a rock climbing wall and an 18 foot Ferris Wheel. To say that these went over well was an understatement. The

Activities Department would like to thank all of our volunteers. We were overwhelmed with the amount of volunteers we had. We appreciate you more than you know. We would also like to thank all of our work campers and staff who stepped up and worked extra hours to make this event successful. We are already working on next years Kid's Carnival.

We held our 2nd Annual Golf Cart Parade on the 4th of July. We lined up at the CH where the judging took place for the best decorated golf carts. It was a hard decision as they were all very good. We had patriotic music playing and had candy for the onlookers as we drove through each of the phases. We had a total of 42 golf carts. It was so much fun for all.

"Age is something that doesn't matter unless you are a cheese."

Luis Bunuel

The evening was followed up with a street dance featuring the band Spliced. At 9:20 PM a trio featuring Branson High School Choir Students sang our National Anthem followed by our awesome fireworks display. It was a great celebration!

On the Monday after the holiday weekend the Activities Department put on their Hooray for Hollywood Show. This show featured owners and their grandchildren, work campers from Housekeeping, the RNR Café, TL Life Guards and the Activities Department. It also featured professional entertainers Brian Pendergrass, Sheila Meeker, Jamie Layton, Duane Laflin and Ashley Moore. The show featured songs and skits from musicals and movies. There were tons of costumes and fun for everyone.

There have been tons of activities and fun for everyone during the summer months including, drive in movies, bands at the Outdoor Pavilion, live mermaids at the outdoor pool, games, casino trips, and of course excellent entertainment.

We are really looking forward to the **Labor Day** weekend. **Gold Wing Express** will kick off the holiday weekend on Friday, August 30th at 11:00am. At 3:00pm **Dan Keeton**

Phase 3 bathhouse has also been remodeled. I want to thank each and every one of the maintenance workers for all of their hard work and want to say thanks to the volun-

teers that also helped out.. I hope that you all have enjoyed your summer and made great memories here at Treasure Lake

that we have been able to recruit some new workers the past couple of weeks and are now going to be open Monday evening from 3:30 to 8:30 PM and Tuesday thru Saturday from 11:00 AM to 8:30 PM. We will also be open on Sundays from 2:30 PM to 7:30 PM. ***Please remember that the grill always shuts down 30 minutes prior to closing in order to clean the fryers.***

We have made our **Fish and Shrimp Special available to you every Friday and Saturday** by request. We will try to do a different daily special every day now and give you a little more variety for the menu.

Housekeeping

This year, we will be charging for damaged linens, so please be as gentle as possible. The price of linens has gone up and we need to budget and save as much as possible. If you need cleaning rags, or materials for fish cleaning, please contact Front Desk. Brooms are also available at each bathhouse.

The mats in our five very nice bathhouses and three public laundries get cleaned during the night hours from 11:00 PM to 6:00 AM. We do touch-ups during the day to keep everything fresh, but we try to stay out of your way.

Just a few reminders about our department: we only clean check-outs. We don't go into your room unless asked. Check-out is at 11:00 AM, check – in is at 2:00 PM. We have an array of items for you to borrow/use, if needed. We enjoy having you here, and are blessed to share the memories made here on this beautiful park.

We're looking for work campers to continue a fabulous year. Keep in mind, if you are wanting to stay physically fit and active. We do walk, bend, stoop, drag, *huff and puff*, but it's all a benefit to a healthy life. At the end of the day, you will feel good about it

Groucho Marx

Thank you to all our dedicated customers for patience with our limited days and hours of operation. We appreciate each and every one of you.

We have gotten a new shipment of Treasure Lake Stainless Steel mugs and new colors; drop by and take a look. Our cups sell for \$8.50 and they are stainless inside and out. We also have a new shipment of Rock n Roll T-Shirts for sale for \$10.00 each and \$12.00 for 2X and larger.

We are looking forward to the rest of the season in full force. If you have any special requests for daily specials, please stop by and see me and we will see if we can work something out. We are considering doing a one week a month ice cream special with different flavors. We can only do two flavors at a time so it would always be vanilla but maybe with raspberry or pineapple etc. as the other flavor for twist and solid flavors to replace the chocolate? Everyone can think about it and tell us what you think. If you are not interested, please tell me and we will just continue with the same vanilla and chocolate all the time.

Stop by and give us your opinion. Looking forward to hearing from you. Happy camping and let's continue our season with a bang!!!
