"Where Vacations Last A Lifetime"

Thanks to All!

General Manager Musings

First off, I would like to thank all our owners at Treasure Lake. Without you, our beautiful park wouldn't be here. Next, I would like to thank the staff and work campers for all their hard work and dedication.

We had a great turn out at our 2019 Annual Meeting. Fun was had by all.

Here is a recap of 2019 season:

Upgraded 31 sites to 50 amp, remodeled Phase 2 bathhouse, remolded both Duplexes, re-opened the snack shack, added new restrooms to the outdoor pool, repainted inside of the clubhouse, purchased a new and much improved sound system in the clubhouse, road repairs over 120K, repaired and repainted the clubhouse deck, resurfaced the greens at the mini golf course, repainted indoor and outdoor pool, added a fitness center, added additional 5 golf carts to rental program totaling 15, added 2 shaded covers to outdoor pool with the profits from volunteer's breakfast.

Phase 1 will be closing on Dec 9th and reopen in March 2020. Remember, we offer Winterization for your RV's. Please contact Tammy at 417-334-1040 x254. Please remember that the temps drop here in the next coming months. Notices will be posted at Welcome Center, Treasure Lake app & website. course there are a great variety of Christmas Shows happening at the many theatres. See our ticket office for tickets. Plus, there are many places to shop and get ahead of the rush.

Activities

The Activities Department has been very busy. We just finished out our main season with our Annual Owner's Weekend and our Hallow Week-ends.

On Thursday morning, we had our final TL Market for the year. We had several vendors that set up. During that time our GM, Lenny Ammerman, announced our BOD Election Results. Later that evening we took 118 TL Owners to see our friend Billy Yates' new show, Nashville Nights, at his Choices Concert Hall. The show was amazing, and everyone had a great time.

On Friday morning we kicked off the day with the last board meeting of the year. Gold Wing Express followed with a wonderful performance. Those guys always do a great job. Brian Pendergrass and Sheila Meeker provided an evening of dancing and fun.

Saturday morning was our Annual Owners Meeting. The meeting was very nice, and the entertainment was great. The Acrobats of Shanghai kicked off the entertainment, followed by John Tweed, Brain Pendergrass, Magician Duane Laflin and the Abundance Quartet. To say that the entertainment was amazing is an understatement. The Ozark Country Band provided the music for our Saturday evening dance.

This year we had our TL TERRORity Haunted Hayride open for two weekends. Unfortunately, the weather did not co-operate with us, but we didn't let that stop us. We part-

saw a record number of riders for our haunted trail. We stepped up our game this year by adding more animatronics and live actors to the trail. Ashley and I would like to personally thank all the volunteers who helped us out. We are beyond grateful for all your help. We could not have done this without you.

The Activities Department had the Family Halloween Festivities at the Outdoor Pavilion after the Annual Meeting on Saturday, October 26th. Even though it was raining we had a great turn out. The families bobbed for apples, danced and had a great time. They paraded around the pavilion and collected candy from our TL Golf Cart Brigade. A huge thank you goes out to them for helping us out. Our special panel of judges had a hard job deciding our costume and pet costume winners. Everyone had a great time.

We held a Paddle Party on Sunday afternoon for TL's own Mary Halsted, who is currently battling cancer. A paddle party is like Bingo meeting a quarter auction. Vendors set up and gave out awesome prizes for this event. Many TL owners donated items for the silent auction and volunteered their time to help with this. Thank you to all. We were able to raise \$3,323.00 for Miss Mary. We closed out the evening with the Abundance Quartet. It was a wonder-

ful way to end the season. Thank you to all who came to the activities and helped in any way. We truly appreciate it.

"Thanksgiving dinners take 18 hours to prepare. They are consumed in 12 minutes. Half-times take 12 minutes. This is not a coincidence."

Even though the season is ending, we will be hard at work, booking next year's entertainment and working on the activities. We are very excited to announce that we are co-sponsoring the 1st Annual Bluegrass Festival along with Gold Wing Express here at TL on April 23rd – 25th. Be sure to stay tuned for upcoming announcements as we are adding bands to the list. TL Owners will get a special discounted rate of \$35.00 for a 3-day wristband to this awesome event. Be sure to get yours early before they are gone. Please contact Miss Rhonda or Miss Ashley at 417-331-2822 for details.

The TL Fitness Center will have its Grand Opening on November 1st. We are very excited to have this great addition to TL. Please watch the phone app, website and FB for information on upcoming events/activities such as the TL Rockin' New Year's Eve Party.

Prayers for all to have a healthy, safe and warm winter. We look forward to seeing you next year! God bless!!!

Housekeeping

Hello, thank you for a great spring/summer.

We are up to a full crew now and have been doing great on getting the units ready for you on time.

Hope you have enjoyed and to continue to enjoy the 5 very nice /clean bathhouses we have available for use. The night guys do a great job at getting these cleaned and ready for daily use.

As fall/winter approaches we are preparing for our annual deep cleaning of the rental units and buildings. Please excuse our mess in the process. We start in Phase 1 and work back till we finish. This usually takes 2 months or more, depending on weather.

We appreciate if everyone can be gentle on the linens, they are costly and we try to keep the budget down. Please do not clean your motor vehicle with our towels. If you might need a clean rag or few, just let us know and we will certainly hand them over.

This winter we will also be getting more rental units remodeled. This is exciting and well overdue. You just might be the first to enjoy them. Book in advance to secure your spot. We stay busy year round, to keep you coming back so hope you get to enjoy.

We have several items here in housekeeping if you should need to use them. Hair dryer, irons and boards, rags, buckets, vacuum - almost anything you might need if you have forgotten to bring with you or just need to borrow.

If you have lost or forgotten an item, please check with us as we find lots of phone chargers and pillows. We probably still have yours. 417-263-1107.

Thank you all for keeping us grateful.

Enjoy the season. Bless you all.
