Jack Mustard

- Retired Navy, Vietnam Veteran
- Prior Business Owner
- City Alderman and Mayor Pro Tem for 5 years Crane, Mo
- Stone County Economic Development Board Member
- President Crane MO Area Chamber of Commerce for 5 years
- Current Board Member Forest Park Estates HOA.

I come from an Ozark family dating back to 1832 in Laclede County, Lebanon MO. I was raised in a Christian home with 2 brothers and 1 sister. My wife, Theresa and I have been married for 35 years, a blended family with 7 children, 13 grandchildren, and 10 greats.

I joined the Navy right out high school and served 20 years, retiring as Chief Petty Officer. I was in the "traveling" Navy and I have been on all continents exempt Antarctica. I served at the Cuban Blockade, Bay of Pigs, and 6 times in Combat Zones in Vietnam. After my Navy retirement I worked 16 years at Silver Dollar City as an Image Make Character. The last 9 years I was the SDC Postmaster. After leaving SDC we bought and operated a flea market and antique mall in Crane, MO. We currently live in Forest Park Estates. Since I live here full time, I am at Treasure Lake Park almost every day!!

Hobbies: My hobbies include playing music and singing. Fishing, and volunteering

My goals are. 1. I want us to be your most fun destination. You should leave here saying "What a great time I had" 2. I would like to see continued attention given to site improvements, more pull thru sites, and 50amp service. 3. It is important to me to see the monitoring and review system of all TL spending

I'm still volunteering at the Lodge Breakfast as I have for the past two years, and also enjoy working with the Activities Department on the kid's carnival. And always willing to step up where needed on the park.
