"Where Vacations Last A Lifetime"

Spring is on the way!

General Manager Musings

Greetings Treasure Lake Owners

As we kick off the 2021 season, I would like to take this opportunity to thank all the owners, work campers and staff for bearing with us through this pandemic that started at the beginning of the 2020 season. We truly have a faithful TL family. Thank you all. Rest assured that we are still following the guidelines mandated by the City of Branson and practicing the CDC guidelines. TL is a safe place to come and experience nature and create lasting memories. The board, myself and staff welcome you to come and enjoy all that TL has to offer and stay safe while having fun.

The indoor pool is set to open March 5th. All phases will re-open on March 8th. The moving of phases will resume April 5th. Our nightly RV site rates are now \$10 per night effective January 1, 2021.

With the continuous rising costs, we are looking for Work Campers for most of our departments. If you or someone you know of is interested in Work Camping, please contact Tammy at 417-334-1040 x 254 or Tammy@tresort.com.

The dues statements were mailed January 7th. If you didn't receive yours please contact Sheri@tresort.com and she will email you a copy.

The board has decided to start a Long-Range Planning Committee consisting of 3 board members, myself and 1 member of TL. We will be meeting with department heads and finding out what their long-term plans and goals for TL are. We welcome feedback from ALL TL members. If you have any questions or suggestions, feel free to contact me at Lenny@tresort.com or Kent Pratt, TL President of the board, at kent.pratt@yahoo.com.

Come one, come all and enjoy all that TL has to offer! Let's make 2021 the best year yet. Looking forward to serving you.

See you soon.

Lenny

President's Corner

Fellow Owners,

Over the past 3 years of serving as a board member, I have learned at least a few things.

1. No matter what you have planned for, it is important to be flexible! Most of you have no idea what has gone on behind the scenes in 2020. Which is a good thing, because most of what goes on behind the scenes is to ensure that you have memory making experiences at Treasure Lake, without you having to worry about things that go on behind the scenes! In my opinion, your management team (including your board of directors) has done a wonderful job leading us through all the mine fields that 2020 put before us.
2. I have been reminded that everyone has opinions about everything, and all of those opinions have well founded intentions with regard to making Treasure Lake the best place it can be.

3. I have learned that your board of directors works very hard for you, and they are always looking out for your best interest as an owner of Treasure Lake.
4. I have learned that some may not always agree with all decisions made by management and/or your board of directors.
5. I have learned how much of an honor it is to be chosen to lead the gentlemen and lady, whom you have elected to represent you on the board of directors.

Please continue to be patient with everyone as they attempt to make Treasure Lake the awesome place that it is. Everyone is doing the very best they can to make Treasure Lake one of the best private parks in our country.

Sales

Well what a difference a year makes! Last year we did 8 RV shows in 3 months and this year we are going to 4 RV shows. It's still going to be a good year. George sold 7 memberships in January which is unheard of. Normally we only sell 1 or 2! We have

some ideas to get Treasure Lake's name out there in different venues. We will have more on that later in the year.

Welcome to all of the new owners. If you have any questions we are here to help you in the Sales Office.

The Sales Staff

Rock n Roll Café

We are approaching our spring opening in Rock n Roll Café and are looking forward to seeing our customers returning. Last season was a challenge for everyone, and we hope it will be better this year. We are considering changing our hours back to 11:00am to 9:00pm this year on Wednesday thru Saturday, with the grills going down at 8:30pm which will allow more time for people to get food and ice cream. We will open at 3:30pm on Sunday and close at 9:00pm, with the grill going down at 8:30 pm. We still plan to be closed on Monday & Tuesdays due to lack of workers and customer participation.

"If you can't convince them, confuse them."

We may have a few openings this year, so if anyone is interested in joining our Team, I will be back on park the middle of February. You can call me at 417-527-0381 or email me at barb@tresort.com and I will be happy to talk to you. Our season usually runs from the first week of April to the first week of November, and we would need you to commit to that time frame. For more information please just call, text, or email me, and we can discuss the details and any questions you might have.

My staff and I are anxious to get back to work, and to see

everyone again. Hope you have all had a good winter and are ready to “rock and roll” with us. We will still be cooking our famous fish and shrimp on the weekends and lots of daily specials during the week for you to enjoy, along with our regular menu items. Don’t forget our ice cream!!!

Hoping to open in April, will update a little later. See you all soon. Can’t wait!!

Veteran’s Memorial

The 9th Wall is underway with 30 names on it so far. It takes 93 names to fill it.

Please give me a call to honor your veteran for only \$50 per name. I need you to provide name, branch of service, rank, and dates of service. Stop by the Welcome Center to pick up a form, call Tammy at 417-334-1040 Ext. 254 or email at tammy@tlresort.com.

Maintenance

Hello TL family! Sure hope everyone has had a good winter and year. Maintenance department is continuing to work hard for you all and we truly love working for the resort. I want to thank all my guys for the hard work they do. Last year was a challenge for everyone, and my guys really came together. I hope they know how much they are appreciated. We can’t wait for the park and world to get back to normal so everyone can continue to make great family memories here at Treasure Lake.

I also want everyone to know that if there is an area that needs attention, or if you have any ideas, please email me and we can discuss the matter. I’m very open for your opinion and we are here to make the park the best it can be for all you members.

Housekeeping

Hello—Happy New Year —

Doing our very best to keep all things clean and sanitized.

Welcome back! Please pardon our mess as we are in full swing for annual deep cleaning of building and rentals. We started in December and will finish up around March, depending on the weather. Things will sparkle again. We also do the floor care, such as stripping

and waxing.

This year we will be charging for damaged linens, so please be as gentle as possible. These have gone up in price and we need to budget and save as much as possible. If you need cleaning rags, call us or get ahold of front desk. They can also relay to us.

Our goals are to have more rentals remodeled and carpet taken up. New yurts will be available soon. So very cozy and perfect. Come and check them out.

Just a few reminders about our department:

We only clean check outs. We don't go into your room unless asked. Check out is at 11am. Check in is at 2pm. We have an array of items for you to borrow/use if needed. Bathhouses will be cleaned at a new time this coming year. More information regarding this soon.

Looking for work campers! Keep us in mind if you are wanting to stay physical and active. We do walk, bend, stoop, drag and crawl, but it's all a benefit to a healthy life and at the end of the day you will feel good about it. Not all days are full force, but most are!

Have blessed days, be safe and come and make some memories that will last a lifetime!!

Thank You for helping us keep our park clean!
