President's Corner

Fellow Owner,

As we enter May of 2021, we look back and the last year is just a BLURRRRR!! But we look forward with GREAT anticipation. The birds are singing, the trees and plants are blooming, the pandemic is slowing, and Treasure Lake is ready to welcome you back!!

We thank you for your patience and want you to realize that your board of directors, your management, and your staff has done, and IS DOING, its very best to keep you safe, as well as providing the best place that it can for your enjoyment.

As we mentioned on Facebook, we are trying to listen to you as we prepare for the future. With that in mind, our long range planning committee has submitted its research to your board of directors and they will be discussing them during their May meeting. Another item that seems important to many of our owners has to do with our long term storage. A three person committee has been formed to revise the current long term storage contract, as well as its pricing structure. We have also started looking into cleaning up that area and identifying potential problem areas.

"Common sense is like deodorant. The people who need it most never use it."

As we work together to constantly make Treasure Lake a better place, I am reminded of the famous John Lydgate quote, "'You can please some of the people all of the time, you can please all of the people some of the time, but you can't please all of the people all of the time". Please feel free to contact your board of directors using their contact information located on our website: Board Members | Treasure Lake RV Resort (tresort.com). Even though you

may not agree with some decisions that have been made, please be kind and respectful when you share your opinion with us.

bles to our already awesome lineup. Our TL Midway will be ready for all the kiddos, along with the TL Barrel Train. We are excited to welcome back Ozark Knocker Ball along with the ponies and camels. No carnival would be complete without snow cones, popcorn, funnel cakes, face painting & vendors.

Our 4th of July weekend will be a weekend to remember. We kick it off on Friday, July 2nd at 9:00am with our 4th Annual TL 4th of July Golf Cart Decorating Contest and Parade. Matt will have you in stitches with his many impersonations. He covers many different celebrities from Waylon Jennings to Michael Jackson and Bruno Mars. We will close out our holiday with the amazingly talented band Eastern Heights. This band will have you dancing in the streets. They play everything. They take the stage at 6:00pm and will play until 10:00pm. We will conclude our evening with our awesome fireworks display. The sky will be lit up as we celebrate America. All the events for this day only will be held at our Celebration Stage. This large stage will be in our mini golf parking area. Be sure to put your chairs out early for this special event.

Sales

Hello everyone from the Sales Office,

We sold 20 memberships in the month of April! So, when you see one of the new members, welcome them. So far in the month of May we have sold 9 in 11 days. I think Jamie and George need a pat on the back. Good Job guys! And let's don't forget the 21 new transfers for April. This is a lot of new members to welcome aboard.

Our goal is to sell 500 memberships this year and I think they may just do it. We' are at 51 right now. Let's continue to tell our friends and family about Treasure lake and send them down for the 4 days – 3 night free stay with a tour. (except holidays).

Rock n Roll Café

Hello Everyone! Welcome back to the Rock n Roll Café!

We have taken a big step forward from last season and have lifted our mask mandate in the café !! Yea !!! We still have our plexiglass up for protection and we leave the option up to you as to whether you want to continue to wear a mask. We are ready for you either way, and we want you to be comfortable.

We are going to be open only 5 days a week again this year due to staff issues and customer participation. We do not get enough business on Monday's and Tuesday's to justify the cost to open. We are sorry for any inconvenience.

We will continue to have daily specials on Wednesday, Thursday and Sunday and of course, our Fish and Shrimp specials every Friday and Saturday..

We have new computer registers this year and we are having some issues with learning the new process. We ask for your patience as we work thru pros and cons. We still accept call in orders, however, on fish nights there may a

longer wait as we have some long lines and will have to dictate times for pick up at the time you call.

We are trying our best to provide good customer service and great product however, on heavy volume days, we sometimes can get a little behind. Please have patience. Early in every season; we have new people and it takes a bit to learn the ropes. I take a lot of pride in treating my customers well and I hope you will come to me with any issues you might have with our service or our food. We are not perfect and mistakes will be made from time to time. I will always try to make adjustments, but if you don't tell me, I can't fix what is broken if I don't know it is broken. I just want to say "thank you" to all our customers. You are the best and you continue to support us every year.

"Before you criticize someone, you should walk a mile in their shoes. That way when you criticize them, you are a mile away from them and you have their shoes."
Jack Handey

If you have any special requests for changes or special daily meals, please drop by and chat with me. We will try to meet

expectations if we possibly can. We may have a few issues with product this season as all restaurants in the country are all opening at the same time and there is supply and demand which we have no control over. Many of us are going to be hit with some big price increases and may have to make adjustments, however, we will do our best to retain our current pricing if at all possible. Thank you everyone for your continued support. We love serving you and want you to make Rock n Roll your "happy place."

Our current hours for this season are as follows:

- Wed thru Saturday: Open 11AM to 9PM
- Sunday: Open 3:30PM to 9PM

Our grill always shuts down 30 minutes prior to close but we sell ice cream until 9PM every day that we are open.

Thank you from all the Rock n Roll staff,

Barb

Housekeeping

Hello friends!

We are daily doing our very best to keep all things clean and sanitized

Welcome Spring/Summer! We are so excited to be fully open and ready to roll! Come one, come all. Memories are waiting to be made.

This year we will be charging for damaged linens, so please be as gentle as possible. These have gone up in price and we need to budget to save. If you need cleaning rags, call us or get ahold of front desk who can also relay your need to us.

"When your mother asks, 'Do you want a piece of advice?' it is a mere formality. It doesn't matter if you answer yes or no. You're going to get it anyway."

Our goals are to have more rentals remodeled and carpet taken up. New yurts are available now! So very cozy and perfect. Come check them out.

Just a few reminders about our department. We only clean check outs. We don't go into your room unless asked. Check out is at 11am. Check in is at 2pm. We have an array of items for you to borrow/use if needed. Bathhouses are open and ready for use.

We are looking for work campers! Keep us in mind if you are wanting to stay physical and active. We do walk, bend, stoop, drag and crawl, but it's all a benefit to a healthy life and at the end of the day you will feel good about it. Not all days are full force, but most are.

Have blessed days. Be safe. Come make some memories that will last a lifetime!

Thank you for helping us keep our park clean.
