"Where Vacations Last A Lifetime"

We're excited you're coming

General Manager Musings

Hello Fellow Owners!

The first half of this year has gone very well! We are continuing some park improvements: site repairs, cabin remodels, tennis court repair and adding some new pickle courts.

I would like to thank all the employees, work campers and volunteers for their hard work all year, especially over the 4th of July holiday. The resort was at its fullest in over 10 years. We set a record on sites used during July 4th week!

The Gospel Festival was a success! The attendance wasn't what we had hoped for, however, the event went over smoothly! We are looking forward to the Bluegrass Festival starting September 9th! Be sure to check out this event for further information.

I appreciate all the owners for having patience with us as we have been, and are currently, extremely short staffed in every department.

In closing, I would like to express that I hope everyone is staying safe in these difficult times we are facing!

God bless!

President's Corner

Fellow Owners,

First of all, I want to thank all of your current board of directors for all of the hard work they have done this year. These people work very hard behind the scenes, with no compensation of any kind, to help make sure that you can come and enjoy the park without having to worry about anything else. Your current board of directors are: Debbie Danner, Larry

"I was down to my undies in the voting booth when I remembered it wasn't a changing room."

J Wagner

Walker, Tom Wilkerson, Greg Sampson, Bob Voigt, Jack Mustard, and myself. When a person decides to run for the board, they have decided to commit 3 years of their time to serve you in this capacity, on your behalf. In recent years, they have met at least a few

hours every month to discuss important issues that are relevant to Treasure Lake life and business. With that in mind, there will be 3 openings (out of seven) coming up that need to be filled in the upcoming few months. Currently there are 6 individuals that are seeking one of those 3 open positions. When you receive the ballot, please take a few minutes to study their biographies and send in your choices. This year you will have the opportunity to cast three votes in whatever way you want. (One each for 3 different individuals, all three for 1 individual, or any combination of your three votes) Voting is your RIGHT as an owner....please use that right and VOTE!

As many of you have noticed, our permanent storage committee has been hard at work. Bob Voigt, Brian Norton, and Tammy Stouffer have been busy researching, as well as working diligently, on their task. Many of you have asked that the permanent storage spots be cleaned up and one of the main ways to do that is to review and update the storage contract itself. With that in mind, next week, this committee will present its proposed first draft to your board of directors to review. It is our plan to have the final, revised, permanent storage contract in place, approved by all parties, by the annual meeting. Thank you for your patience as we are starting to see a light at the end of this tunnel.

Housekeeping

Hello! My name is Bobbie Weeks and I am the new Housekeeping Director here on park. I am overjoyed to be here and serve you all. I am originally from the Texas/Oklahoma area, so you have a true southern girl on your hands! I am a wife and mom and have lived in this area for 5 years. I believe in a job well done and that everything we do, we do it unto the Lord. With that being said, the housekeeping crew is adjusting well and are an amazing team. I am so thankful for their hard work and willingness to step up while being short staffed.

We are doing our best to keep the park clean and sanitized for you all! To reflect our passion for our guests

we are switching to as many natural, nontoxic, kid/pet safe cleaners as possible. We SO appreciate your care for our linens when visiting, and if you ever need cleaning rags to prevent stains or damages to our towels and sheets, we are more than happy to bring some over and help in any way we can!

We are continuing the efforts of having our rentals remodeled and more carpet being taken up. As for our Yurts, they are amazing! Such a beautiful and unique stay to be had in them. Be sure to check them out!

Just a few reminders about our department. We only clean check outs. We do not go into your room unless asked. Check out is at 11am. Check in is at 2pm. Bathhouses are open and ready for use!

We are looking for work campers! Keep us in mind if you are wanting to stay physical and active. We do bend, stoop, lift and keep a fast pace. We would love for you to join our team!

Bobbie

Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.

Activities

The Activities Department has been hard at work. We hosted a Cars Against Cancer Car Show on June 11th & 12th. This event brought in car enthusiasts of all types. It was great seeing the cars lining the area behind the Outdoor Pavilion. There were vendors, con-

cessions, music, and a parade featuring the cars from the car show. It was a fun weekend.

Our 4th Annual TL Kid's Carnival was held on June 26th and was a huge success! This event has grown leaps and bounds. There were rides for kids of all ages including a Rock Climbing Wall, Ferris Wheel, Gyroscope, Tubs of Fun, Hampton Car Ride, Bungee Trampoline, Wizzer, Mechanical Bull Ride, Bounce House, Obstacle Course, Slide, Camel Rides, the TL Midway with games, Snow Cones, Hot Dogs, Cotton Candy, Popcorn, Bal-

loon Artist, Face Painter, Tattoo Artist, vendors and much more. It was so nice seeing families, laughing, smiling, and just having fun together. We look forward to our 5th Annual Kid's Carnival next year!!! It's going to be very hard to outdo this year.

We had a lot of activities and things to do during the week between the Carnival and our 4th of July Celebration. Folks of all ages had a ball painting their own Handprint Flag T-shirt. They were even more excited to wear them at our celebration and show their artwork off. This craft was a big hit, and we look forward to doing it again next year.

The Activities Department hosted a Paddle Party during this weeklong celebration. This event was held at the Outdoor Pavilion with the proceeds going toward a Splash Pad. Are you asking yourself, "What is a Paddle Party?" A paddle party is like a quarter auction meeting Bingo. Our vendors were very generous and gave out some amazing prizes and donations. Everyone had a good time.

Our 4th Annual TL 4th of July Golf Cart Parade was a huge success. We had approximately 45 golf carts that were decorated. Our owners went above and beyond with their decorating skills. It was an extremely tough decision for our judges to pick our winners. It was such an awesome experience to see the golf carts decked out in Red, White & Blue. It was even better driving thru each phase of the park, with Patriotic Music playing and seeing the families out waving and cheering us on. We had lots of candy on hand for our crowd. It was an amazing time had by all.

On Friday evening we had a family dance at the Outdoor Pavilion. This dance featured Michael Dale and the Hired Guns. This talented group did an amazing job of entertaining all ages.

On Saturday, we kicked off our 4th of July Celebration with the Pledge of Allegiance by TL's own three year old, Brantley Moore. Brantley did a great job leading us. Hunter Hull followed Brantley singing God Bless the USA & the National Anthem to officially kick off our day.

Pastor Ted Cunningham of Woodland Hills Family Church in Branson provided some much needed laughter with his Date Night Comedy. He had everyone laughing. Ted is not only humorous but shares the Gospel in his comedy. It was a very well received and much needed message.

Next to take the stage was Matt Gumm. Matt is the worship leader at Woodland Hills Family Church and is a performer in the Clay Cooper Show. He has been featured on the David Letterman Show. Matt is extremely talented and does many impersonations. He can sing, dance, and play many instruments. To say that we were entertained is an understatement!

To close out our night we were thrilled to have the band Eastern Heights on our Outdoor Stage. This band is awesome!!! They brought the house down.

They are so talented and full of energy. They provided four hours of music that had us dancing in the streets. No matter if you were young or young at heart this band had something for you. We are beyond excited to say that we have already booked Eastern Heights for next year's 4th of July Celebration. They will be back by Popular Demand!!!

Robby Blackburn, the lead singer of Eastern Heights proudly sang our National Anthem to start our TL Fire-

works. I don't know how our GM, Lenny Ammerman, continues to make our fireworks better each year, but somehow, he does. This display was beautiful!!! It was an awesome show and a great way to end an amazing day. We are already looking forward to next year.

Our 2nd Annual TL Gospel Festival just concluded. We were beyond blessed with some amazing talent that exceeded our expectations. Our Gospel Festival lineup included: Sheila Meeker, Dan Keeton, Dwayne Williams, Daryl Mosley, The Missouriians, The Abundance Quartet and our Headliners Michael O'Brien, Brian Free & Assurance and Legacy Five.

We appreciate each one of you who braved the heat and supported this event. We know that you were blessed from the music and testimony that was shared from the stage. We are excited to say that we will be working on the 3rd Annual TL Gospel Festival, which will not be held in July.

We are so excited about our upcoming 2nd Annual TL Bluegrass Music Festival. This awesome event will be held right here at beautiful TL on September 9th – 11th. It will feature some of the best Bluegrass Music from: Catahoula Drive, Larry Efav & the Bluegrass Mountaineers, The Baker Family, Route 3, Kari Garrison & Bluegrass Remedy, The Kody Norris Show, Spillwater Drive, Southern Raised, Seth Mulder & Midnight Run and Headliners Little Roy & Lizzy and Doyle Lawson & Quicksilver. These groups will perform on a huge concert venue stage complete with professional lights and sound. There will be vendors of all types setup for your shopping convenience

Rock n Roll Café

Hello Everyone!!

Rock n Roll is still rocking and rolling!! Due to the short staffing situation; we are only open four days a week but business is good!! Your fish and shrimp special is still a popular weekend special to look forward to.

I would like to say thank you to all our customers who are supporting us thru these difficult times. It is sometimes difficult to be able to get all the products we ask for as well as the paper products; so if you get your food on a different plate or no plate (ha ha); it is because we could not get them. We are doing our best to keep things as normal as possible.

"To succeed in life, you need three things: a wishbone, a backbone, and a funny bone."

Reba McEntire

I would like to see some feedback on the specials and days and times of operation. We picked Wednesday thru Saturday so we could accommodate the

clubhouse activities and the weekend crowds. I know you are all use to having us open later in the evening and more days but staffing makes that impossible. If we open later in the day, we leave out all of our employees that like to have lunch. I can only work my people 24 hours a week; therefore I have stretched the hours as far as I can to be able to accommodate the employees and our members. We are hoping this will change in the future. Please text me; email me at barb@tlresort.com; or call me at 417-527-0381 and let me know if you would like to see any changes. I would love to hear your feedback. In the meantime; enjoy the rest of the season and hopefully we will be able to return to normal in the near future.

Thanks,

Barb
