I am asking for your vote of confidence for another 3 year term. I have kept my word. I have never taken anything for board expenses. I feel it is important for board members to spend time on the park. In 2020 we were on the park over 70 nights. A big thanks to all departments for everything you do!

- Complete 50 amp hook-ups for all sites
- Add at least 8-10 concrete pads per year
