"Where Vacations Last A Lifetime"

## Welcome Back!

### General Manager Musings

#### Greetings fellow Treasure Lake Owners!

I hope everyone has had a great and safe winter! The amazing Treasure Lake staff has been working very hard all winter long and waiting for your arrival! We are having some spring like weather entering the Ozarks as spring break hits!

We are very saddened from the passing of Miss Barb McConnell this winter. Barb played a big part over the last 8 years in growing the Rock n Roll Café to what it is today. She will be missed by many but never forgotten. As we enter the 2022 season we will be Welcoming a new café director! We will be announcing that person in the coming days! Opening date for the Rock N Roll Café will be May 4th

We are still looking for many workcampers and full time paid positions in all departments. Please contact Tammy at 417.334.1040 x254 to join our team!

I will start my "Meet the Manager" meeting on Tuesday April 5th! Every Tuesday at 1PM in the Clubhouse! Hope to see you there.

### **President's Corner**

Hello Fellow Owners,

With 2021 behind us, your Board of Directors (BOD) is very eager to get to work in the upcoming year! Though we all have faced many obstacles in 2020 and 2021, we are looking forward to 2022 being a record year at Treasure Lake.

In January the BOD voted to continue working with three committees, to help address the short and long term needs of the park. (Long Range Planning Committee, Storage Committee, and Rules and Regulations Committee). Team leaders and members have been appointed, and the committees will begin meeting in the very near future. The teams will be responsible for gathering information from various sources, including owners input that will aid in developing the committee recommendations. These recommendations/findings will then be presented to the BOD for possible action.

The scheduled BOD meetings for 2022 are as follows:

- April 29th
- May 27th

July 29th  
August 26th

I encourage you to plan on attending as many board meetings as you can so we can hear your input! Yes your input! I am a firm believer that the BOD works for the owners and we cannot be effective without your participation. We are eager to work together with Treasure Lake owners to make 2022 one of our best years yet!!

*"Men occasionally stumble over the truth, but most of them pick themselves up and hurry off as if nothing had happened."*  
**Winston Churchill**

Please keep our fellow owners that have needs in your thoughts and prayers. Also, please say a special prayer for our wonderful men and women currently serving in the military. They sacrifice so much to keep this great country we live in free.

Sincerely,

**Lee**

### *Housekeeping*

Hello Campers! We are excited to start seeing more faces around the park with spring and summer getting so close! Housekeeping has been busy with winter cleaning along with placing some updated items throughout our cabins. We are so pleased with the updates the park has and will continue to receive. Housekeeping department has immediate openings for cabin cleaning, laundry, and bathhouse cleaning. If you're interested in full time employment or becoming a work camper, please reach out to us!

We thank you for your continued patience and support as we navigate normal routines while battling this nationwide crisis of being short staffed. The staff we have on park is truly amazing and they are so excited to get the season of 2022 started!

You may notice a few new items being implemented in our cabins. Our goal is to continuously grow and learn, so we would love your feedback!

Two pet units have also been added to the park! This is exciting for pets and owners alike! We cannot wait to see your furry friend enjoying their vacation, too! Please keep in mind that we need your help to care for these pet friendly cabins. We want them to be a part of Treasure Lake for years to come!

We believe that the Lord has and will continue to provide what this department needs as we move forward. We are excited to see you this year!!
