

My name is Debbie Danner. My husband Ron and I lived most of our lives in the Kansas City area. We started coming to Branson with our daughter 28 years ago, being drawn by the peaceful scenery and atmosphere. We became owners at Treasure Lake in 2015, excited to provide a safe and fun-filled vacation spot for ourselves and our family.

I hold a Master's degree in Special Education and retired in 2010, ending a 34 year career. During this time, I was chairman of, and served as a member of numerous committees including fundraising, school safety, building improvements and staff morale. I worked closely with administration, support staff, teachers and parents to ensure quality education and adherence to federal and state guidelines. I then worked for 2 years as an activity assistant then activity coordinator/volunteer coordinator in the memory care unit of our local nursing facility.

I have had the privilege of serving on the Board of Directors the past 3 years. These 3 years have brought us through the challenges of covid, worker shortage and rising costs of everything! Regardless, Treasure Lake has continued to be a vibrant, growing oasis for owners and their families. I believe the best is yet to come!

I would appreciate your vote in the upcoming election as I seek another term serving you.
