My name is Gary Jones Jr., I have been a member since 2016. My parents Gary Jones Sr. and Jeanne Jones have been members since 2010. They both worked the Lodge Breakfast. My Mom Jeanne Jones and Aunt Joanie currently work the Lodge Breakfast. I have been camping since I was a young boy at age 15 to 18. I worked Maintenance and Security at a campground in NC and for part of the time I managed the campground. My work history is I managed a Ready-Mix Concrete plant for many years until my wife Heather Jones and I decided to move to Springfield, MO, because we love Treasure Lake so much and wanted to enjoy it more. I want to see the park continue to grow so our child and grandchild can enjoy this park. We volunteer at the Lodge breakfast and activity department during the weekends to help out. I am not retired yet, but we are at the park every weekend camping. The reason I want to run for the Board is so I can try to help keep this beautiful park going for all our children and grandchildren to enjoy as much as we do. That is why my Dad bought into the park so his children and grandchildren could enjoy this park. My wife and I got married here at Treasure Lake because we love this place.
