Employment History

- Traveled with Evangelist Glen Crowe for 1 year helping him in various tasks including playing the piano during the revivals.
- Driver/Supervisor for EFDEExpress
- Became a Firefighter in 1977 where I had the privilege of continuing my education as a Paramedic and became one of the first paramedics in the St. Louis area. Worked for the Olivette Fire Department as a Firefighter/Paramedic for 13 yrs.
- Moved to the Creve Coeur Fire Protection District in 1990 as a Firefighter/Paramedic and was promoted to rank of Captain in 1996. While there I became certified in High Angle Rope Rescue, Swift Water Rescue as well as a Haz-Met Technician. Retired from the fire service after 35 years of service.

Personal Family

- I have been married to my wife, Lee for 44 wonderful years and we have 2 grown daughters, 8 grandchildren and 3 great grandchildren.
- My mom and dad bought into Treasure Lake Resort in the summer of 1983. My family has loved and been involved with the park ever since.
- My faith in God and my love for God help define who I am and how I handle situations and conflicts life throws.

Goals as a Board Member

- My goals are simple and having been an owner for many years now, I want this park to continue to thrive, both physically, with new members and activities, as well as financially to keep the park able to maintain its excellent standings.
- I believe in making the actions of the Board public and transparent (unless for personnel & legal issues) so all owners understand the reasoning and direction of those serving.
- I want to see the park continue with its annual festivals and review ideas to improve on these and look for other opportunities that all can enjoy.
- I would bring to the board, new ideas based on my own experiences as well as listening to you, the owner, and coming up with practical solutions to accomplish them.
- I believe we have only hit the surface of the possibilities here at Treasure Lake RV Resort and realize, together with a positive outlook, we can make a difference.
