### **Rock n Roll Café**

Most of y'all got to know me a little last season, mostly a rear view of me at the grill. I truly enjoy cooking for friends and the entire Treasure Lake family. My wife Martha and I are relatively new members having joined at the end of May last year. We have been Branson transplants for 6 years now and love our experience here in the Ozark mountains. We moved here from Excelsior Springs, we have 4 grown sons and 2 grandchildren as well as our fur kid Shiela. The team of work-campers this year are great to work with and we all look forward to serving you through the season.

*"Every day you may make progress. Every step may be fruitful. Yet there will stretch out before you an ever-lengthening, ever-ascending, ever-improving path. You know you will never get to the end of the journey. But this, so far from discouraging, only adds to the joy and glory of the climb."*

**Winston Churchill**

Currently our hours of operation will be 11a-2p the 5p-8p Tues., Wed., &Thu. Fri., & Sat., we will be open 11a-8p. The grill side shuts down at 7pm nightly. This year's menu has changed a little, trying to bring back some favorites. If you have ideas for future specials or suggestions, feel free to come by and we can talk

about it. As the season progresses and the RnR team gets a rhythm going I am confident that we will provide quality meals and service to you, our TL fami-
