

Treasure Lake Board Member Candidate – Cathy Viets – Biography

I am Cathy Viets, and I am asking for your vote for the Treasure Lake Board of Directors.

I believe my work and volunteer experience will bring value to Treasure Lake to help keep the park moving forward in a positive, progressive manner.

EXPERIENCE-

I worked full time for about 50 years until my retirement this year. For the previous 25 years, my professional life was in the healthcare information technology field. I have been very successful in managing large projects with executives in healthcare systems across the United States by sticking to the following principals:

1. Communication
2. Honesty
3. Integrity

For more than 20 years I have served on and off the Board of our HOA. Most of those as President. I was instrumental in providing new processes to minimize misunderstandings around the covenants and restrictions and bylaws of our HOA, often working with realtors prior to the sale to new homeowners. I also worked to cut costs of the HOA by researching expenses to find out where we could improve our spending without compromising services. I never accepted the statement “this is how we have always done it”. There were options to cut costs, and after review with the board, those changes were implemented. The changes helped provide more funds to improve and repair some of the common areas of our neighborhood, which was important to the homeowners.

PERSONAL -

My husband Richard and I currently reside in Gladstone, Missouri but since retiring, plan to spend about 50% of our time at Treasure Lake. We have been married 48 years, and have two great adult kids and an amazing daughter-in-law, and our wonderful grandkids Hadley and Henry. We also are owned by a sweet little dachshund, Lucy. Our entire family loves Branson.

For relaxation (besides spending time in Branson at Treasure Lake), I love to make quilts for our church “Blankets of Hope” group. We donate handmade quilts to anyone needing a hug or having a tough time, or celebrating life’s events.

Feel free to reach out to me directly with your questions at my email, cathy.viets@gmail.com, provide a number if you wish for me to call you, and you **will** get a call!

Thank you for your consideration.
