> I have been an RVer since 1986 and a Treasure Lake owner since 2004. I truly love our resort and can't think of any place that I and my two fur children enjoy more. I am a camper and spend about half of my time at Treasure Lake and half of my time in Oklahoma City where I still work part time at a Credit Union after retiring from Arvest Bank in 2021. I have met and become family and friends with so many amazing Treasure Lake owners. My goal is to ensure that Treasure Lake remains this incredible retreat for us and for future generations by ensuring our finances are handled responsibly.

> My background and what I can offer....I have a Business Administration degree from Oklahoma State University. I am a retired banker with over 47 years of experience in finance, accounting, budgeting and management. I have held positions including Credit Union President/CEO, Executive Vice President of Operations, Senior Vice President of Lending and others. I have substantial experience in reviewing and evaluating financial statements, credit reports and overseeing daily operations. I have also been responsible for preparing budgets, long term and short term planning, and financial safety and soundness.
