- 10 PM** FIREWORKS

July 6

We invite all owners to join us for a Freedom Celebration on Saturday, July 6. Activities are planned all day long.

This year, the park will be closed to the public as explained during the June Board meeting. Guests are welcome to attend but must be accompanied at all times.

On July 6, Rock & Roll will serve a limited menu of hamburgers, chips, beans, slaw, potato salad, and ice cream desserts.

Hot dog meals will also be served from noon to 2 p.m. in the CC building next to the pavilion.

RnR WEEKEND HOURS:

11 am–8 pm Thursday and Friday
11 am–7 pm Saturday
(without the normal 2-hour break)

VOLUNTEERS NEEDED

Could you lend a helping hand on July 6?

Bruno needs help cooking hot dogs and serving lunch at the CC building on July 6, as well as help in the Rock N Roll from 10 am to 8 pm.

Security needs assistance from 5 pm to midnight with traffic control at various locations.

Traffic Control on July 6

We encourage owners to exit and enter the park using the back gate when possible to minimize traffic entering the front of the park.

Security will have a dual check-in at the front entrance. The first area will be just past the IMAX entrance and only members will be allowed to move to the Park's gated entrance. Please have your gate card and/or Owner ID ready to present at the gate. If you plan to have family and guests join you for the fireworks (and we hope you do), you will need to meet your guests outside the park and have them follow you through the gate. PLEASE have guests and family join you by 8 pm. This will allow our security team to minimize lines and increase safety in our park.

The location of the fireworks will be the same as last year (in the field behind the tennis courts). No one will be allowed in the designated safety area during the day's events. Live music will take place at the Pavilion.

GOLF CART STICKERS

This is a friendly reminder that if you drive a golf cart, side-by-side, or other motorized recreational vehicle, you must provide proof of insurance and purchase a sticker to display on your windshield. This policy began July 1.

The cost of these stickers is only \$3.50. We ask for your cooperation. Security will be checking.

ARE YOU PROTECTED?

Treasure Lake is not responsible for damage to your camper as a result of power surges that could take place during your stay.

We encourage you to use a surge protector at all times to protect your trailer and property.

DO YOU HAVE SPECIAL SKILLS?

We are looking for expertise, skills, and knowledge from our owners. If you have skills or own a business in the areas of carpentry, plumbing, electrical, roofing, painting, landscaping, mechanical, concrete, and farming, let us know - we need you!

As we continue to move forward to help the Park be more efficient, we might call you for guidance, serve on committees, contract work, etc. Please email us at board@TLresort.com with your interest and area of expertise.

Have You Met Our New General Manager?

In case you missed it, Steven Mills was introduced as our new General Manager during a live presentation on Saturday, June 29. We are really excited about the skills and talents Steven brings with him. He has a diverse background in leadership consulting, and military service, as well as extensive expertise in strategic planning, financial oversight, and operational leadership.

Please take a moment to say hi and welcome him to our team when you are on the park. You can find the replay for his introduction and the reading of his bio on the official Treasure Lake Camping Club INC Facebook page.

Thank You for Your Teamwork and Support!

The Board of Directors would like to say **THANK YOU** to all of our employees, workcampers, volunteers, and owners. You help make this park great and we appreciate you! We hope everyone enjoys the holiday weekend.

Again, if you have any free time, the Rock N Roll and Security could use a helping hand on July 6. Reach out to Bruno or Wally for details and availability.
