Work Camper Program Agreement

This agreement outlines the terms and conditions for Work Campers at Treasure Lake RV Resort. By signing this agreement, Work Campers acknowledge and agree to comply with the following policies:

1. Work Camper Status and Work Requirements

Work Campers are expected to fulfill the hours assigned by their supervisor. Work hours will be recorded and maintained by the supervisor. Work Campers who fail to report for work, arrive late, or do not meet the required hours may be removed from the program at the discretion of Management.

2. Work Hours and Fee Exemption

Work Campers are required to complete twenty-four (24) hours of work per week per household to maintain their status in the program. An individual may fulfill the full 24-hour requirement, or a couple may divide the hours between them. Work Campers who meet this requirement are exempt from paying the daily maintenance fee. Failure to meet the required hours will result in the reinstatement of daily maintenance fees for Owners and the termination of stay for non-Owners.

3. Compensation and Benefits

Work Campers do not receive wages for their work but are provided with a full hook-up site at no cost and have free access to resort amenities, including recreational facilities and activities. This arrangement serves as compensation for their service to the resort. After completing thirty (30) days of assigned work, each household will receive one (1) paystub per month that may be used for admittance to select Branson theaters and attractions.

4. Reporting Structure and Conduct

All Work Campers shall follow the established chain of command and report directly to their assigned supervisor. Work Campers must conduct themselves in a professional manner at all times and adhere to the rules and regulations set forth in the Work Camper Handbook and by Management.

5. Site Accommodations

Owners participating in the Work Camper Program may stay in Phase 4 without being required to move sites. Alternatively, Owners may choose to stay in other Phases, but will be required to change Phases every thirty (30) days. Non-Owners are required to stay in Phase 4 exclusively.

By signing this agreement, I acknowledge understanding and acceptance of the terms outlined above. Non-compliance with these policies may result in removal from the program and forfeiture of Work Camper privileges.

I authorize the investigation of all statements contained in this application and release from all liability any persons or employees supplying such information; and I also release the company from all liability that might result from making such inquiries.

I certify that the facts and information set forth in this application are true and complete to the best of my knowledge. I understand that any falsification, misrepresentation, or omission of facts on this application (or on any required documents) will be cause for denial of participation in the program or immediate termination, regardless of when or how discovered.

I agree, if I am offered and accept a position, to conform to all existing and future rules and regulations, and I understand that Treasure Lake reserves the right to change hours and working conditions as deemed necessary. I also understand that my participation in the program will be at-will, meaning that either party can end participation in the program at any time and for any reason.

I understand that a background screening and drug test may be required of each Work Camper. I also understand participation in the program is contingent upon my providing, within three (3) working days valid proof of identity and eligibility to work in order to comply with the Immigration Reform and Control Act of 1986.

I have read and reviewed the information provided in this application and the above statements. By signing this application for the Work Camper Program, I certify that I understand all parts of it and have answered all questions completely and fully.
